DALY CITY MERCHANTS MEET ARRANGE FOR ANNUAL PICNIC

Plans Reported To Be Progressing In Highly Satisfactory Manner

The Merchants Association of Daly City met in regular session at the City Hall, Wednesday evening of this week.

S. Edward Williams, executive secretary of the Civic Chamber of Commerce, addressed the members at length with reference to amendment to repeal the state sales tax measure. His address proved both nteresting and instructive and was intently listened to by the audience and he was heartily applauded at the close.

The committee to endeavor to secure diagonal parking in the two blocks at the top of the hill on Mission street reported progress.

Discussion was had as to the matter of the resetting of curbs and widening of highways on Mission street in sections of the widened highway.

The association adjourned to meet again Wednesday evening, August 23, when final arrangements will be completed for the annual picnic.

After the regular meeting closed, the committees having in charge the arrangements for the annual picnic met and reports were discussed. The reports were optimistic, it being the

COUNCILMAN OF DALY CITY SENDS NEWS OF EUROPE

Julius Twesten Describes Travels With Family In Germany

Councilman Julius Twesten, who is on a five months leave of absence and is traveling with his wife and daughter in Germany, sent the following interesting letter to the editor of the Daly City Record, concluding with an "Auf Wiedersehn":

Artlenburg on Elbe, July 6-36.

Dear Mr. Pitschke:

Greetings from our trip to Germany and, believe us, we are having the time of our lives realizing it. We left the motor ship Seattle on June 4 at Bremen, after stoppng n L. A., Colon, Rotterdam and Hook of Holland. For 14 days we saw nothing but water and sky. The trip across was enjoyable and restful; we had a perfectly smooth sea almost all the way. Our traveling companions were all very pleasant and it was a little difficult to say "good bye" to them, after our being practically a "family" for a little over a month. For pastime we read, played games, swam and talked.

When in Rotterdam we took a long drive through Rotterdam, Delft, Schweringen and The Hague, where we went through the gorgeous Peace Palace. Here in Germany we've spent our time for the most part in small towns, all lovely and old and different from anything at home. We've visited with relatives whom we've not seen for almost 30 years; we've renewed old friendships and seen old remembered places anew. We've spent some time in Hamburg, Dalldorf, Hochdorn, Limeburg and Artlenburg, both our old "home towns" in the Limeburger Heath. In Hamburg we enjoyed a really wonderful time seeing all the sights.

Bremen, the oldest maritime city of Germany, offered also a great many worth while things to see. Irene has seen a great number of things which are new and wonderful to her, and which she will never forget.

All in all, the trip so far is all that we expected and more. They are all so happy to see us and treat us like kings.

We're planning very soon to take a trip down the Rhine from Colon to Hidelburg and through southern Germany to Checkoslovakia and, of course, to Berlin.

Best wishes to you and Mrs. Pitschke and all Daly City.

JULIUS TWESTEN.

CAR PLUNGES OVER BANK AT PEDRO SUMMIT

Six Escape Death in Coastside Accident

Six people narrowly escaped death, Sunday afternoon, in an accident on the summit of Pedro Mountain when the car of Harold MsGuire of 114 San Benito ave., Lomita Park, was crowded from the road, going over a 600 foot embankment with his load of occupants including a small baby. Occupants of the car besides McGuire were Otto Burk, 48, John Brugegr, 44, Mabel Grubber, 37, Mary Brugger, 16, and Loraine Brugger, the 15-month old infant. McGuire and Burke were taken to the Beresford community hospital, where they were found to be seriously injured, McGuire suffering from several fractured ribs, cuts and bruises and Burke from a fracture of the right arm and numerous lacerations.

In another accident on the Bayshore Highway invoving four cars, Warren Zimmerman was taken to the South San Francisco Hospital where he was treated for a punctured eye, cuts and bruises. Others treated at the same hospital from injuries sustained in the four-car accident were Mary O-Connell, 24, San Francisco, and Margaret Werder, 21, Redwood City.

Pearl Berzin, 16 year old San Francisco girl died at Mission Emergency Hospital, Sunday, as results of a head-on collision on the Bayshore Highway near the County line. She was riding with James Paulson of San Francisco, and Gordon Curtis at the time. Paulson, 17, driver of the car was charged with negligent homicide.

SCOUTS ADVANCE IN RANK AT CAMP

Fourteen Daly City Youths In Camp Near Lake Merced Recently

Among the Scouts present at the "Camp Boyjoy" Court of Honor, Scouts E. J. Halerow, Jr., Donald Jenkins of Troop 151 were awarded the badges of First Class Rank and Scouts Glen Goode and Bob Dykeman of Troop 141 received badges of Second Class Rank.

Scout Peter Filios of Troop 151 was awarded a service star for completion of one year service as a Scout.

Visitors at the Camp Court of Honor included Mr. and Mrs. Fox, Mrs. Young, Rev. and Mrs. Baldwin, Jr., Mr. Baldwin, Sr., all representing the Grace Church of the Nazarene; the institution sponsoring Troop 141; Peter Filios, Sr., father of Scout Filios, Troop 151, and P. Goode, father of Scout Goode of 141.

The Court of Honor was directed by Troop Committee Chairman Stranghan of Troop 141, assisted by Scoutmaster E. J. Halcrow of Troop 151. These two officers acted as directors for the camp, during this season.

Friday evening, at the closing campfire ceremonies, camp honors were awarded, every boy in camp having earned sufficient credits for tests passed and camp requirements and tasks achieved. Among those so honored, were Bob Dykeman, Glen Goode, Donald Jenkins, Lawrence Christiansen, Buddy Olesen, Edwin Halcrow, John Dake, Frank Dake, Ralph Porter, Teddy Prineas, Kenneth Camp, Jimmy Poquet and Angelo Ditti.

The boys voted honorary awards be given Mr. Stranghan and Mr. Halcrow, and special honor award to Mrs. Halcrow and Rev. Baldwin for their services during the camp.

Camp was broken on Saturday, fourteen tired but happy boys leaving for home with memories of the first session of Camp Boyjoy to remain with them for the succeeding twelve months. And may the Great Scoutmaster of all good Scouts be with us till we meet again.

BEST OF PALS SAY GOODBYE

Mr. and Mrs. W. E. Pitschke, 416 Irvington street, have been enjoying a week's visit with their grandsons, Fred and Herbert, and their mother, Mrs. W. A. Pitschke, from Rockford, Illinois.

The trio left by Greyhound bus early Wednesday morning en route for Eureka, Seattle and on into Canada, thence southward to their home and Dad.

It was a visit that will long be remembered by the senior Pitschkes; even the four cats— Murphy, Patsy, Reilly and Connie—have been looking everywhere for their two lively playmates.

EDNA BROOKS LASSWELL OF DALY CITY

TRADITIONS OF HOME COURSE ARE HELPFUL

By J. W. MARCHBANK

Interest in my Tanforan track is widespread. Every day I hear from friends in the East that the word "Tanforan" is on the lips of hosts of racegoers. They are not only talking, either, they are planning to come out for the meeting to open early in October.

Probably the chief factors in the individual thrill coming from Tanforan sport are the historic atmosphere of the course down at San Bruno, coupled with the undeniable fact that racing was brought back to California, after a long lapse, at Tanforan. There is quite a bit of sentiment in the make-up of the racegoer. That goes for some of the owners, too.

Tanforan, as is well known, gets its name from Torbirio Tanforan, who held a land grant covering a large portion of San Mateo County in the old days. The plant was constructed in the nineties by Ed Corrigan, the "Master of Hawthorne," and Henry Crocker; later Prince Poniatowski came into the picture and still later Tom Williams. How A. B. Spreckels and a group of other sportsmen acquired the property thirteen years ago and the sale to the Pacific Coast Breeders Association, which I formed, is familiar history.

I put on the first meeting in the "come-back" in racing in the spring of 1930 and since then have been racing steadily, gradually working up my organization to the pitch where it is one of the best in the whole country. "Class" has been, is, and ever will be my slogan.

The public must be furnished the kind of racing that "sticks" in the memory. Why, some of the "boys" are still enthusing over contests at my first session—which lasted only twelve days—because they were conducted in a real, sportsmanlike manner.

All has not been clear sailing, but with breeding on the up-grade racing may be expected to get better and better as the years go on. The main reason I established Heather Farm, the birthplace of many a good winner, ten years and more prior to my opening of Tanforan, was to encourage others to come along in turning out horses to take part in the sport I was sure was in the offing. I am reaping my reward from sustained interest in breeding by my delight in the sport at Tanforan and other California tracks.

BADEN KENNEL TRACK CLOSES FOR SEASON

Two Big Nights Remain For Fans To Witness Greyhound Races

Baden Kennel Club closes its popular summer greyhound racing meeting tomorrow night after scoring its most successful season since 1932 when the South San Francisco track first opened its doors.

Tomorrow night five great greyhounds, trained to peak of racing conditions, will race for the five-sixteenths mile championship after two preliminary elimination events which have written history deep in the annals of the greyhound racing sport. To the winner will go the title and the added purse.

Tonight brings the final event of the Baden Derby annual greyhound racing classic. Like the five-sixteenths mile championship, this too, is an eliimination event with the five survivors running tonight at seven-sixteenths of a mile, the popular marathon distance.

DEATH CLAIMS DALY CITY WOMAN AFTER ILLNESS

Beloved By Relatives and Large Circle Of Friends And Acquaintances

Death ended the patient suffering of Mrs. Viola Shelmadine of Hanover Street, Thursday of last week. Mrs. Shelmadine had been ill for the past year and spent much of that time confined in bed in her home and in the University Hospital, where she passed away.

The surviving relatives are her husband, Ervin J. Shelmadine, and four minor sons—Paul E., Floyd M., Ervin E. and Herbert F. Shelmadine; also her mother, Mrs. Many Nolan, and a brother, Frank Haldeman.

The funeral services were conducted in the mortuary chapel of W. C. Lasswell and Co., last Saturday afternoon at 2 o'clock. Interment was in Olivet Memorial Park.

The members of the Shelmadine family have made their home in Daly City for more than twenty years and have a host of friends who will mourn the loss of a beloved and devoted friend.

YOUNG GIRL LOSES LIFE IN AUTO COLLISION ON HIGHWAY

Drivers Of Both Cars Are Later Taken Into Custody

A week end traffic accident resulted in the death of a 16 year old girl.

The victim, Pearl Berzin, 1958 Donner avenue, died at the Mission Emergency Hospital on Sunday, following a head on collision on the Bayshore highway near San Bruno avenue Sunday morning.

A car driven by her escort James Paulson, 20, 10 Flora street, collided with that of Gordon Curtis, 17, of 200 Los Olivos avenue, Daly City.

Curtis was taken to the Juvenile Detention Home and Paulson was arrested on a charge of negligent homicide, last Sunday evening, after the death of Miss Berzin.

MISS LASSWELL ENTERS CONTEST

Edna Brooks Lasswell Is Entrant In Contest Of Fiesta Fete

Edna Brooks Lasswell, member of a pioneer Daly City family, tossed her hat into the contest for the most popular San Mateo County girl now being sponsored by the San Mateo Products and Floral Fiesta.

Miss Lasswell is the niece of Mrs. Luella Pepper, local funeral director and a member of the county coroner's staff.

With Miss Lasswell in the contest, Daly City pinned its hopes on the local girl to win the contest which will send the winning contestant to the Texas Centennial Exposition for a three day visit free of charge.

On her way home, the winning contestant will make a stop-over at Los Angeles where she will visit the movie studios and personally meet the stars.

The contest is open to any girl from the age of 17 to 28. She must be a resident of San Mateo County.

There are no votes to sell and there is no expense attached to the contest.

The entrant must fill out entry blank and mail it to Fiesta Headquarters with an 8 by 10 inch photo of herself in a bathing suit.

Fiesta headquarters are at 116 B street, San Mateo.

The Fiesta opens at Bay Meadows, October 8.

CROCKER BOARD IN REGULAR MEET

First Meeting Of Parent Teacher Association To Be Held Soon

On Tuesday of this week the Executive Board of Crocker P. T. A. met at the home of the president, Mrs. Orvilla D. Pauw.

An outline of the year's work was arranged and the various chairmen named.

The first meeting of the year will be held at the new home of Mrs. Marie Gaitor in San Carlos. Those who wish to attend should call the president, Mrs. Pauw at Randolph 0156, so that transportation can be arranged.

Mrs. Pauw and Mrs. J. W. Walker attended the Executive Board meeting of the Seventeenth District, held in Burlingame, where Mrs. Walker was named radio chairman of the district.

MISHAP CUTS SHORT VACATION TRIP

Mrs. G. C. Lindorff and daughter Miss Ruth of Niantic avenue returned, Thursday evening of last week, from a vacation trip to Salt Lake City where they visited with relatives. While attending a weinie roast Sunday of last week, Miss Lindorff had the misfortune to fall, suffering a broken ankle. Despite the mishap, the young lady enjoyed a comfortable return trip and is improving rapidly.

INFANT DIES OF STRANGULATION IN CRIB AT HOME

Mother Was To Have Returned To Home Day After Tragedy

Death prevented what was to have been a happy reunion between a mother and her infant son, Saturday of last week.

Kenneth Robert Morgan, 9 weeks old, died of strangulation in his tiny crib in the Morgan family home at 180 Irvington street, Friday evening of last week. An autopsy showed that the little fellow's death was caused from an enlarged gland.

Mrs. Douglas Morgan returned to her home, last Saturday, from St. Joseph's Hospital, where she has been confined since the birth of the child.

Miss Alice Kilpatrick, an aunt of the infant, discovered the tragedy when she returned from an errand to bring him a bottle of warm milk.

Police and firemen of the local department worked over the child with an inhalator without success.

Doctors Z. O. Waters and Ring also attended the infant, but their efforts were unavailing, as death had already claimed him.

The funeral was conducted from the family home, Monday of this week at 2 o'clock, because of the ill health of the mother who is still confined at her home. Interment was in Cypress Lawn cemetery.

MEMBERS OF THE AMERICAN LEGION CONVENTION BOUND

Are Remodeling Hall And Arranging For A Candidate Ball

All Legionnaires who can possibly get away are by this time either in Hollywood or on their way to attend the annual convention of the American Legion of California.

And what a time the Hollywood Legionnaires have assured the visitors from all over the state. Dick Crane has been appointed to ship and be responsible for our colors.

Daly City Post No. 410 won the silver cup donated by John Vogt Jr., of San Bruno Post No. 409, for showing the greatest membership increase for San Mateo County for the year 1936. Membership Chairman Harry Andersen was responsible for adding 66 out of the 115 members. Fine work, Harry!

Adjutant John Vogt, of San Mateo County Council, will present this cup at the installation of officers of the Post, Wednesday evening, August 26.

The front of our hall at 474 San Diego is now being remodeled. There will be new doors and windows, and stucco front, with a Legion Emblem in Colors. The tree in front will be removed and the arched entrance will be trimmed. Comrade Vance has very generously offered to do the stucco work and Comrade Al Ohlsen the carpenter work, together with assistance from less experienced members of the Post.

Daly City Post No. 410, American Legion, will give a Candidates Ball at their hall Saturday, August 22. They are not sponsoring any one candidate, but merely giving the people of Daly City an opportunity of personally meeting the candidates for various offices.

YOUNG PEOPLE UNITED AT HOME

The wedding of Miss Aurora Antonelli and Mr. James S. Jordan took place on Saturday evening last at the home of the groom's parents on Bellevue avenue. Rev. Miles Dawson of the First Baptict Church officiated.

The bride wore a gown of shell pink lace with a coronet cap of baby roses; her bouquet was a shower bouquet of baby roses and lilies of the valley.

Mrs. Ray Antonelli was matron of honor and wore a gown of mousseline de soie, with a corsage of pink sweet peas and a coronet cap of violas. Miss Maude Woods was bridesmaid and wore a gown of yellow taffeta, with a corsage of orchid sweet peas and a coronet cap of violas. The brothers of the bride acted as the groom's attendants; Mr. Ray Antonelli was best man, and Bob Antonelli as usher.

The newly married couple spent their honeymoon at Santa Cruz. They will make their home at 130A Colinton Park after Wednesday of this week.

FLUSH RADIATOR

During warm summer months it is a good plan to flush the radiator often and refill with water.

When refilling, try to use soft water if obtainable, because it does not contain large quantities of mineral substances, such as lime, which have a tendency to clog the radiator.

LABOR SUPPORTS JUDGE COTTON

San Maeto Couny labor is the latest organization to endorse the candidacy of Superior Judge Aylett R. Cotton, who seeks to retain his seat on the bench at the August 25 election. Endorsement of Judge Cotton was given unanimously by the San Mateo County Central Labor Council at a meeting this week in San Mateo.

Not only did labor enthusiastically endorse Judge Cotton, but in giving its approval urged its thousands of members in the county to participate actively in Judge Cotton's campaign. Labor's support adds markedly to that already given by numerous county organizations and individuals.

Endorsements given Judge Cotton have come from civic, business and fraternal organizations, and from county citizens in every walk of life. His supporters said today that no candidate ever to seek public office in San Mateo County has received more wide-spread and voluntary support than has been accorded Judge Cotton.

Leading members of the bar, prominent civic and business leaders, women outstanding in club and civic affairs, all endorsed and are actively supporting Judge Cotton, after reviewing his service on the county bench. Judge Cotton is seeking his first full term.

1936 CHRYSLER AIRFLOW IMPERIAL

Until you *drive* an Airflow Chrysler — until you experience Airflow's utterly *different* performance, you've missed the greatest thrill in motoring! No other car is like it—no other car *can* be like it. It's a totally *new* form of transportation. You travel on deep, divan-like seats, cradled between the wheels, not *over* them. Weight is so evenly distributed—you seem to float rather than ride. There's no vibration, no road shock. Even springs are synchronized with normal human rhythm. You'll find that long trips rest and relax you.

AIRFLOW 8 $1345 • AIRFLOW IMPERIAL $1475 Factory List

Airflow Chrysler is the world's safest car. Steel girders surround you, top, sides and bottom. Chrysler's time-tested hydraulic brakes afford split-second stops.

And Airflow Chrysler is amazingly economical . . . 16 to 20 miles to the gallon with Chrysler's famous overdrive that cuts motor revolutions one-third at cruising speeds.

Let us place an Airflow Chrysler at your disposal. Drive it for fifty or a hundred miles. Find out why we say—"You'll never again be satisfied with any other car!"

OPERATING ON A CONTINENT

From the Reader's Digest we glean the following, condensed from The Magazine of Wall Street: by Theodore M. Knappen:

"Perhaps the most inspiring achievement of the Roosevelt Administraton as its widespread reconstruction of the physical surface of America. Big and little, something like 500,000 projects have been undertaken—ranging from boondoggling gutters and ditches to works that rival the Panama Canal and cost 20 times as much. In this "operating" on a continent—for which the bill runs to about eight billion dollars—at least 2,000,000 persons have been given some direct employment, not counting the 3,500,000 now being transferred from the dole rolls to work relief.

"Outstanding among the tasks have been continuation of flood control of the Mississippi and Missouri Rivers and the extension of navigation of these rivers almost to their headwaters; the building of a bridge eight miles long across San Francisco Bay and assistance in buiding the bridge across the Golden Gate; in New York, the $40,000,000 vehicular tunnel under the Hudson River, the $60,000,000 tunnel under the East River, and the tremendous Tri-Borough Bridge.

"At Eastport, Maine, the tides are being harnessed for power on a large scale for the first time in history. On the Columbia River the Bonneville and Grand Coulee dams are developing great amounts of hydroelectric power and vast lakes; and the former will provide irrigation for millions of acres of land now nothing but desert.

"In the Southwest, work has been continued on gigantic Boulder Dam; $100,000,000 is being expended to divert the waters of the Colorado River into a canal for the Imperial Valley irrigated regions; $60,000,000 is going into a conduit to convey water from the Colorado through and under 250 miles of desert and mountains to the coastal regions of Southern California, thus assuring potable and irrigating water for an ultimate population of 6,000,000. A hundred million more is going into the improvement or extension of existing water supply and irrigation systems.

"Rivers and harbors are undergoing mass improvement at a cost of half a billion—and $60,000,000 is being spent at Chicago to turn the Illinois and Mississippi Rivers from foul sewers back into sparkling streams. Two bridges have been thrown across the Mississippi—at New Orleans and Baton Rouge. A 200-mile sea-level canal is being dug across the State of Florida. It will be 250 feet wide at the bottom and 30 feet deep. On 50,000 miles of highways something like $1,200,000,000 is being expended, not including the 80,000 miles of trails and roads built by the CCC.

"The Department of Agriculture has undertaken the colossal task of stopping erosion throughout the country on 50,000,000 acres of land ruined by unharnessed water flow. Innumerable dams, canals, and stream diversions have been built to preserve areas not yet destroyed, and a million acres of cut-over land have been planted to forests. In the Northwest and Southwest, war has been declared on the winds, and a beginning made of the momentous work of defeating the dust storms which are carrying off the fertile topsoil.

"Some ten million acres of farm land are being returned to wilderness and wild life. Other millions of acres—the ultimate goal is 223,000,000—are being purchased and turned over to forest reservations. The forests have been crisscrossed with fire lanes and trails; the forest shelter belt is rising on the great plains from Texas to Canada. Not less than 500,000 people will be removed from their purchased barren farms and placed where they can earn their living.

"The greatest single physical rehabilitation projects is that of the Tennessee Valley Authority, which is attempting flood control, power development, navigation improvement, reforestation, economic rehabilitation, etc., of the entire Tennessee River Valley.

"Nothing but a great national crisis could have plunged the nation into such a stupendous program. There has been nothing like this present wholesale improvement and subjection of nature within a brief time since the world began. All of the great projects will be so far advanced by the end of the present administration that even if it is not retained in power their completion will be inevitable, safeguarding the resources upon which national prospective rests."

CLAIMED THAT ACCIDENTS JUMP ON WEEK ENDS

Last And First Days Account For Greatest Number Of Mishaps

Nineteen thirty-five records again showed—as in earlier years—that Saturday and Sunday are the high days of the week for traffic accidents. In the states keeping such records 19 per cent of the fatal accidents during 1935 occurred on Sunday and another 19 per cent on Saturday; corresponding percentages for non-fatal accidents were 16 on Sunday and 18 on Saturday.

A recent study in New Jersey indicates that the volume of traffic on state highways by no means increases sufficiently on Saturday and Sunday to account for the accident increases. On the basis of a one-year study it was found that Sunday traffic represents 18 per cent of the average week's traffic volume and that Saturday traffic was second, with 16 per cent of the total. Traffic accidents, however, were even higher on these days, 22 per cent of the average week's accidents occurring on Sunday and 19 per cent on Saturday.

Thursday was the only day of the week which was "normal;" 13 per cent of the accidents occurred on that day, and it also accounted for 13 per cent of the traffic volume. Other days of the week made a favorable accident showing. Only 12 per cent of the traffic accidents occurred on Monday compared with 13 per cent of the traffic volume on that day. Tuesday was charged with only 10 per cent of the accidents, compared with 12 per cent of the traffic. Corresponding percentages were 11 and 14 for Wednesday; 13 and 14 for Friday.

These new comparisons are a direct warning to the individual motorist that special care is needed for his Saturday and Sunday driving.

WATCH TAIL LIGHTS

An increasing number of mishaps, and serious ones, growing out of rear-end collisions at night is having the effect of tightening up still further on enforcement of the regulations requiring tail lights.

It will pay you in two ways to make it a practice of checking the light periodically to see that it is functioning; the first in the avoidance of a possibly serious accident, the second in avoiding a fine.

America's foremost treatrical spectacle, a $350,000 ice skating carnival, is now presented nightly at the San Diego Exposition.

MINE MERGER

Two years ago the Mining Editor of The Vancouver Sun, after a visit to both the properties, the Fairview Amalgamated Gold Mines Ltd. and Morning Star (Fairveiw) Gold Mines Ltd., suggested in his column that amalgamation was the logical manner of bringing them into commercial production.

These two companies own adjoining properties near Oliver, B. C. and the same vein system runs through them.

It is proposed to scale down the number of issued Fairview shares to 1,250,000, and, after this has been done, the capital of Fairview will be incresaed to 4,400,000 common shares and 100,000 7 per cent preference shares. Morning Star will turn over their property, free of encumbrance, for 1,125,000 shares of Fairview.

While no estimates of blocked-out ore are given, indicated ore which can be milled profitably is said to amount to over 200,000 tons in both properties.

Morning Star has produced from shipments of raw ore and milled concentrate over $125,000, and this consolidation now enables ore to be milled in limited quantities which has hitherto been unprofitable to ship or mill. The mill at present has a capacity of about 100 tons daily, and, with a small expenditure, this can be stepped up to 150 tons.

IMPROPER USE OF ROAD LEADS TO ACCIDENTS

Collision Dangers Laid To "Road Hogs" In Many Instances

Keep to the right and be right—or monopolize the center of the roadway, a "road hog" in the eyes of fellow motorists and a law violator in the eyes of enforcement officers.

This pointed statement concerning the "keep to the right" rule was made in a special bulletin issued recently by the Public Safety Department of the California State Automobile Association, emphasizing the dangers of the "road hog" type of driving.

"An increasing number of head - on collisions continues to give stress to need for motorists to drive within the proper traffic lanes," the statement declared. "The term 'road hog' appropriately applies to the motorist who insists upon clinging to the middle of the road in disregard of law and the rights and safety of other drivers.

"This practice has long been recognized as one of the most irritating as well as dangerous of all driving faults. The 'road hog' often becomes the direct cause of a serious traffic accident by forcing motorists to drive on the wrong side of the road in order to pass, and is also the cause of a great deal of unnecessary traffic congestion."

Many motorists are frequently guilty of this offense without apparently realizing that they are violating the law, in addition to the discourtesy usually involved.

Attention is called to provisions of the California Vehicle Act which make it unlawful to drive in the center of the road except under certain conditions. The law requires that upon all highways of sufficient width, other than one-way roads, a vehicle must be driven not only on the right half, but as closely to the right hand edge of the roadway as is practical.

Exceptions are made where the right half of the road is out of repair and for that reason impassable, or when overtaking and passing another vehicle, or when preparing to make a left turn.

Every variety of palm in the world is on the grounds of the 1936 California Pacific International Exposition at San Diego.

ROOSEVELT SUPPORT FACES HARD FIGHT

By J. W. MARCHBANK
Pioneer in Frontier Mining Work

As the Daily News said the other night, it hurts to pay taxes but it hurt worse when we had nothing to to pay with. Getting right down to cases the San Francisco evening paper has a highly interesting message to the electors in this neighborhood. The election is only three short months away and it is time we listened to wise words, both oral and written.

On every side is evidence that business is improving. A bit of thought shows the improvement is coming from the return of confidence on the part of capital. All admit the return, but there is a ceavage between the liberals on the one hand and the reactionaries on the other, as to the source of the return.

It will be recalled that in 1933 President Roosevelt said:

"The only thing we have to fear is fear itself."

In 1936, ths year, he sad:

"We have conquered fear."

That's a simple explanation of the return of confidence, and not only simple, it's true.

The federal government, by putting money into the hands of would-be consumers, helped to translate consumer wants into consumer purchasing power. The President put over a program which balanced farm production with the market for farm products, helped raise farm prices and made farmers more important consumers of the products of industry. All this will have to be paid back in taxes, but as already said the taxpayers are getting their hands onto something to pay taxes with.

* * *

Just because a few disgrunted Democrats of wealth, who did not happen to get the ear of President Roosevelt on the formation of important policies, are currently reported to be "haters" of the President does not mean all the rich people are against him. Take Senator J. S. Couzens, of Michigan, for example. The Senator is a Republican. He is often found on the liberal side in matters pertaining to the welfare of the country. He takes no stock in the wild talk that the chief executive is going to bankrupt the nation. He recently said:

"In 1929 and succeeding years many states and municipalities bankrupted themselves trying to prevent suffering among their unemployed. Somebody with unlimited taxing power, as the federal government, had to step in and take the load. I have been disgusted with the constant talk about balancing the budget. How could anybody have balanced it? How could states have balanced their budgets if the federal government had not given them 70 cents for every 30 cents they spent on unemployed relief?"

* * *

There is a growing feeling the President will have to battle hard to win. Along with that conviction is the further one that before long he will come out with a statement pointing out specifically what he proposes to do in his second four years in the White House. Such frankness would enormously increase his strength at the election.

* * *

The Liberty League, along with other prophets of plenty of gloom, says the United States is at the crossroads in the history of the world. According to the Al Smith organization, one road leads to constitutional government (that's the anti-Roosevelt road) and the other—but overcome with the horror of it all, the league shudders and remains silent.

LESSON SERMON OF CHRISTIAN SCIENCE

"Spirit" will be the subject of the Lesson-Sermon Sunday, August 9, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The Golden Text will be: "Thou art my God: thy spirit is good; lead me into the land of uprightness" (Psalms 143: 10). Other Bible citations will include: "And Jesus returned in the power of the Spirit into Galilee: and there went out a fame of him through all the region round about . . . . And in the synagogue there was a man, which had a spirit of an unclean devil, and cried out with a loud voice, ... And Jesus rebuked him, saying, Hold thy peace, and com out of him. And when the devil had thrown him in the midst, he came out of him, and hurt him not" (Luke 4: 14, 33, 35).

The Lesson-Sermon will also include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The superiority of spiritual power over sensuous is the central point of Christian Science" (p. 454).

USE AIDS MOTOR

One reason for a motor performing better after it has been driven a few thousand miles is that the cylinder walls and pistons become glazed or case hardened from friction if properly lubricated under normal driving conditions.

Fast driving and the resultant overheating lessen the chance of getting cylinders and pistons of a new car glazed as they should be.

HORSE PLAY FOR ONE MORE WEEK

"Hobby Horses," was the original title of John Cecil Holm's and George Abbott's comedy hit, "Three Men on a Horse," now in its 14th week in San Francisco and about to enter upon still another week at the Alcazar Theater.

Mr. Holm conceived the idea of the play while appearing in another play on Broadway and worked night and day to get it in shape, but was unable to get a producer to produce it in New York and was just about to give up hope when Alex Yokel, a former newspaper and publicity man, came along and was much interested in the plot and saw great possibilities of a Broadway hit. The first thing that Mr. Yokel did was to get in touch with that clever play doctor, not a horse doctor, George Abbott and set him to work to build up the play where it was rather weak and within a fortnight the play was in good order and Yokel proceeded to raise the necessary capital and "Three Men on a Horse" was presented to New York Theater patrons on January 30, 1935, and was an instantaneous hit and is still the outstanding hit on Broadway.

The success of "Three Men on a Horse" in San Francisco is just another legend being lived up to, as this play has created a sensation in every city where it has been presented both in this country and abroad.

ENTERTAINS SEWING CIRCLE AT HOME

Members of the Sewing Circle of the Royal Neighbors of America, Camp 6035, were entertained, Tues- Wilma Plum at her home on Delano avenue, San Francisco. Following a busy session, guests partook of dainty refreshments from a table tastefully decorated in green and pink. Those present were the hostess, Mrs. Wilma Plum, Mesdames D. Burdick, A. Smith, H. Hedvall, M. Thompson, L. Nelson, L. Brisolese, S. Weller and E. Rudy. Also Miss Elizabeth Smith of Lincoln, Ill., and Misses M. Elliot and R. Elliot, both of Sacramento.

Exquisitely carved Varguenos, rare old chests inlaid with ivory, which were used in Spain during the 15th century, are on display at the San Diego Exposition.

SAN MATEO BLUES NOW LEAD IN STATE BASEBALL LEAGUE RACE

Shove Daly City Down In Standings By Winning Last Sunday

The Daly City Tanforan baseball boys went down to defeat at the hands of the San Mateo Blues, Sunday, in the game at San Mateo.

Both pitchers were effective, although Walter Lister of the Blues seemed to have a slight advantage.

Stevens played in hard luck, as a little heads-up ball on the part of his team mates might have resulted in victory. Some of the home boys played a weird brand of ball, manhandling a number of plays which, with a little pep, might easily have been converted into outs instead of tallies for their opponents.

For the first time this season the umpiring proved satisfactory to winners and losers alike.

The final score of 5 to 1 in favor of San Mateo does not adequately spell the story of the game.

YOUNG COUPLE WED IN CHURCH

Mission Dolores Church, in San Francisco, was the scene of a colorful wedding ceremony, Sunday afternoon of this week, when Miss Florence Ernestine Appiarius became the bride of Joseph Gerald Verducci. The bride is the daughter of Mr. and Mrs. Henry Appiarius of Twenty-eighth street, San Francisco; the groom the son of Mr. and Mrs. J. Verducci of San Jose avenue.

The bride was dressed in a charming gown of white satin with lace yolk buttoning down the back and carried a bouquet of gardenias and lilies of the valley. She was attended by Miss Dorothy Nelson as maid of honor and her two sisters, Lillian and Alice Appiarius, as bridesmaids. The three were dressed in lovely chiffon gowns of different pastel shades.

The groom was attended by his best man, Bud Winters of Watsonville, with his two brothers, John and Frank Verducci, as ushers.

Mr. Verducci, who attained not a little renown for his football work on the University of California team a few years ago, has since coached high school teams at Monterey and the High School of Commerce in San Francisco.

Following the young couple's return from a short honeymoon trip to Mexico, they will reside in San Francisco, where Mr. Verducci has secured the position of coaching the team at the newly erected George Washington High School.

MANY COMPETITIVE EVENTS AT WILD WEST SHOW AUGUST 23

FREE BARBECUE, RACES AND CONTESTS ATTRACTS THOUSANDS TO AFFAIR

What is believed the first event of its kind in this locality is scheduled to take place at Pacific City on August 23 when a combined barbecue, hay ride and wild west show will be shaged by a committee composed of representatives from each twon or city in Northern San Mateo County.

The affair will take on the appearance of a typical 49 celebration with horse racing, trick riding, and other livestock events typical of the old days.

Buroughs led by men attired in '49 garb, whiskers and all will vie for awards with drivers of stage coaches, hay wagons, and covered wagons, replicas of the old days.

To date more than 60 horses have been entered in the competitive events with many more soon to be entered. Riding stabls and clubs throughout San Mateo and San Francisco counties will compete for honors in the first affair of this kind in years, so it is said. Many individuals have also entered the events, according to Jack Wheeler, general chairman.

A free barbecu, to be followed in the evening by entertainment will bring the affair to a close.

Some of the boys that will enter their horses are Till Travi and son on their beautiful Palomino and Sorrel horse. Curly and Hermie and their fast sorrel horse called Jerry. Bill Harrington on his quick buckskin mare named Bess. Joe Quarty on his black horse named Baby Face and fast, too, and his riding partner Jack and his bay mare. Also Jack Fabri on his beatiful broke stock horse and the rest of his friends. Labraski and his string of fast horses will also be represented, and also Ed Allen and his stock horse Blue. Ed Schwerin and his horses will be there with Emil Doc Reggie to help him cop some of the prizes. There will be a lot more of the boys there also with their horses to make color to the show—along with the stages, covered wagons and hay trucks.

A few novel features of the Wild West Show are: A four horse team pulling a covered wagon; three stage coaches, a real hay wagon; one of Jim Ralph's old buggies, a bicycle of 1835 make a 1902 Reo car and numerous other strange vehicles no longer seen on the roads. All these and many more will be seen in the parade starting at the county line on the Bayshore highway at 9 a. m., August 23. Any one who has an old vehicle is invited to participate. Horseback riders are also invited.

In addition to last week's entries are: Lapochet Rancho, 20 head of saddle horses; and Cresto Bros. Breeding Farm of Santa Rosa, will be well respresented. Both outfits have won numerous cups and trophies at Golden Gate Park.

The committee in charge has been assured by Joe Quartz that he will enter his famous black trick horse.

Hunters Point Stable and Nagle Maker Stables will both be represented. Ramil Sickles, "Truck" Garbo, Begi and Kiley Bazzaro will all participate.

Frank Varni has recently entered a four horse stage coach. Varney was the driver of the truck wagon on Market street 3 years ago which won first prize.

POINT SAN PEDRO ROCKAWAY BEACH

A party of four young girls stayed a week at the summer home of Mr. and Mrs. Maret, at Rockaway. They had an enjoyable time, (especially after Ted Bailey arrived from San Diego). The girls were Frances Maret, Janet Collins, Evelyn Icardi and Olga Icardi.

* * *

Mrs. Irene Rees is luxuriating in a two-week vacation that started last Monday. Her husband and hosts of good frends and neighbors are seeing to it that Irene has a tip-top good time while her vacation lasts. Best of good wishes, Irene, from everyone who knows you!

* * *

Mr. and Mrs. Fred Hess and their two children are still enjoying the sea breezes at their summer home in the Charlie Gluck house, opposite the Danmann store, Pedro Point. The parents are planning to send the boy and girl to the Rockaway school when vacation is over.

* * *

Mr. and Mrs. Art Remmer were entertained at a dinner last Thursday at the San Francisco residence of Mr and Mrs. Earl Cassady, on San Bruno avenue.

* * *

Mr. and Mrs. Carl Strutz have moved down—or up—to their artistic cabin almost at the top of the mountain that overlooks San Pedro Terrace. This young couple is a heartily welcome addition to the hilltop colony, which is happy to have such good neighbors already as the Hermie Bryants and the Pat Dempseys, who plan to live here permanently.

* * *

Edgar Bailey says he's "breaking in" Ted, his brother, as a new manager of the Bailey store, in the temporary absence of their father, "Bill" Bailey, now on his vacation, visiting his brother at Modesto.

* * *

Mayor Roddy's daughter, Mrs. Virginia Keilbar, has come to Pedro to spend a few weeks at the old family summer residence. It is the first time in seven years that the house has been opened for the family. Mrs. Keilbar's four children are with her: Virginia, the oldest, whose nickname is "Cutie," Joe-Anne, James, and Mrs. Elmer Johnson, has just presented Mayor Roddy with his tenth grandchild, her sixth child.

* * *

Frank Fenlon, son of Mr. and Mrs. Frank Fenton, is spending a two-week vacation with friends at Trinity Alps, Calif.

* * *

Mrs. Marilyn Lewis, of Shelter Cove, is visiting her aunt at Carmel for the two weeks before school resumes.

* * *

Mrs. Jennie Bicknell declares that the next time she takes a vacation it's going to be a real one, with no time limit—she'll return home when she's good and ready.

* * *

Mrs. de Witt, who spent several weeks at the fine Colette home at Point San Pedro, returned for a short visit to Mrs. Harry Rees. She and Irene spend their time on horseback, galloping over the beaches and exploring the mountaintrails. Mrs. de Witt is a skilful rider, but Mrs. Harry is trying the difficulties of riding for the first time. However, what Irene lacks in experience she makes up in pluck. She has what it takes, no matter what she does.

* * *

Mr. and Mrs. Ernest Foss and their two children are newcomers in Rockaway, where they are having the Troche family home altered for their residence.

* * *

A careless campers' fire blazed near the top of the mountain on Grand avenue, Pedro, giving nearby residents considerable trouble to extinguish. A volunteer fire brigade—the Bryants and Strutz—finally brought it under control, after it had smouldered two days.

The famous Death Ray, designed by Prof. Harry May, inventor of the first war tank, opened at the San Diego Exposition this week. The demonstration includes the exploding of gas-filled balloons.

BAYSHORE BRIEFS

Roy Harris and Rosie Aselio of Bayshore were married in Reno last week end.

* * *

Mr. and Mrs. Jerry Malone spent the week end in Los Angeles where they left their two daughters for the balance of their vacation.

Mr. and Mrs. Malone are the proud owners of a new crysler car.

* * *

Mr. and Mrs. E. Durlim and Mr. and Mrs. J. Franzen motored to Donner Lake, Lake Tahoe and Reno last week. Enroute they visited several old goldmining towns.

* * *

The Bayshore Voters' League will hold a whist, Friday night, August 7, in their hall. There will be many valuable prizes and score cards will be 25c.

* * *

Work on the sewer project on McDonald ave. is progressing rapidly. Mr. Al Taylor is in charge and will place Bayshore men to work as far as possible.

* * *

Mrs. Ruth Dufford, president of the Bayshore P.-T. A. is now back from a long vacation spent in Chicago and other Eastern points. Mrs. Dufford reports a good time and says she's glad to be home again.

* * *

Ed Shewerin has several horses not spoken for, but he advises that anyone who wants a horse should notify him at once as there will be a shortage before long.

* * *

Bayshore City will be well represented at the Wild West Show at Pacific City, August 23, if we don't miss our guess. Dame rumor has it around that several prominent residents will ride horses in the parade, others will travel on trucks and still others will drive the family car down for what looks like a good time for everybody.

* * *

Someone told us that Mayor Jack Lawson has a complete Wild West riding outfit. Wonder if he will put it to good use?

The local merchant can increase his business and keep purchases at home by advertising in The Record.

BRISBANE BRIEFS

All you folks who like your beer cold and served with a smile had better be at the Wild West Show, Sunday, August 23. You will find "Tiny" and "Bob" and several helpers there to serve you. They have taken over the beer concession for the day and will be prepared to dispense it as fast as they come with no waiting in line.

* * *

Publicity does the trick. Ask Bee how many out-of-town people came to see the longest bar in San Mateo County, after an announcement in last week's Tribune.

* * *

Who's that whiskered gent seen around town lately with the covered wagon? Wonder who his is hiding from?

* * *

The Board of Fire Commissioners met in regular session, Monday night. Main order of business was the proposal to raise money to install water mains for fire protection. With the rapid building activity, fire protection is one of Brisbane's major needs.

Mrs. Freda Miller of Sacramento visited with Mrs. Irene Miller and friends in Brisbane over the week end. Left for Sacramento, Monday morning.

STATE FAIR THIS YEAR FEATURED BY GAY COLORS

Expect Best Exhibits Of The Annual Affairs Entire History

California's State Fair is out for a record. Response by exhibitors and inquiries from every section of the state indicate attendance will push past the half million mark. There were 450,000 persons who attended the exposition last year.

Curtain to the eighty-second annual fair will be raised September 5, to remain aloft until September 14, for ten days of fun, frolic and entertainment.

The board of directors presided over by A. B. Miller, Fontana, arranged the final stage work for the exposition in Sacramento recently.

Color will be a keynote of the grand old ten day fiesta. The grounds have been beautified. The biggest horse racing card since Secretary Charles W. Paine became connected with the fair in 1901 is assured. The horse show, always a feature, has been made even better for 1936. There will be more and greater livestock displays than usual. The farm machinery show is expected to be one of the best. The 4-H and Future Farmer groups are planning greater demonstrations. A $6000 fireworks program has been scheduled.

And there will be plenty of money for winners. Prizes, trophies, purses and awards total more than $145,000 or approximately $10,000 more than were offered in 1935.

The amateur contest, drawing talent from every area of the state, is destined to be the biggest affair of its kind ever to be staged on the Pacific coast. Prizes valued at thousands of dollars are offered.

How medical advice is sent to ships at sea is but one part of an exhibit at the San Diego Exposition, given by the federal government.

PLUNGERS EXPLAINED

If the clutch control mechanism of your car has three plungers, you should know that they correspond to the different transmission gear combinatons, the lowest one—in position—to low and reverse speeds, the middle one to second speed, and the top to high speed.

Shaw, Melrose, County Civic Leaders, Back Judge Cotton

Augmenting the wide-spread and enthusiastic support already given Superior Judge Aylett R. Cotton in his campaign to retain his place on the San Mateo County bench at the election, August 25, two more of San Mateo County's most influential business and civic leaders have publicly endorsed his candidacy.

Percy J. Shaw, Baywood, prominent in business and industrial affairs in the north end of the county, and Charles K. Melrose, widely known business executive of San Mateo Park, commend the service of Judge Cotton as county judge, and recommend him highly to the electorate for election in August. Both men take keen interest in civic affairs of the county, and Shaw recently headed the San Mateo County Civic League.

"Judge Cotton," Shaw says, "has proven during his short time on the bench, that he is well qualified for this important post. Men of his standing are an asset to any governmental setup, and my close association with civic and governmental affairs of this county has convinced me beyond doubt, that retaining Judge Cotton will be to the best interests of our citizens and taxpayers."

In Speaking of Judge Cotton, Melrose, one of San Mateo Park's leading residents, says: "I have no hesitancy in recommending Judge Cotton to the people of San Mateo County for election, August 25. He has filled his judical post ably, and is entirely capable of dealing with the many phases of service he may be called upon to give as superior judge."

YOUNG LAD BITTEN BY POLICE DOG

Albert Cravea of St. Helena, five year old nephew of Mr. and Mrs. L. Franco of Dunk Street and a guest at their home was bitten by a police dog, Friday of last week, while playing in the street. Fearing a possible infection, the lad was rushed to the Junipero Serra Hospital by his cousin Yolando Franco and treated for a badly lacerated lip.

Mrs. Hewner Returns

There is still no place like home, is the opinion of Mrs. Marion Hewner, who returned, Thursday evening of lastt week, to her home on Vista Graned avenue from a six week vacation trip to Alaska and various National Parks. Returning to Vancouver, Mrs. Hewner motored to Banff and Lake Louise in Canada, thence to Yellowstone, Brice and Zion Canyons, Grand Canyon, and Boulder Dam and then home.

STRESSES NEED FOR COUNTY TO BE ALERT TO INTEREST

Candidate For Supervisor Says We Should Not Overlook Advantages

Urging careful and constructive attention to the all-important problem of rapid transit, and the early application of methods that will assure the growth and development of San Mateo County, to keep pace with the inevitable spread of population, industries and commerce in the greater metropolitan area of San Francisco Bay, Allen J. Ward of Burlingame, candidate for Supervisor from the Burlingame-Millbrae district, recently announced his candidacy for Supervisor of San Mateo County. One of the best-known civic leaders and Public-spirited workers for the betterment of the county. Mr. Ward is at the present time City Councilman in Burlingame, and was chairman of the traffic committee of the last county grand jury.

He returned last week from an Eastern trip to New York City, and made several surveys of traffic problems and programs in numerous cities and states visited on the tour.

"With the approaching completion of the San Francisco-Oakland bridge, and the early finishing of the Golden Gate bridge, San Mateo County must be prepared to meet the demands of millions of potential residents of our county for quick and easy transportation facilities throughout the Bay and Peninsula districts. As the garden spot of northern California, San Mateo County must retain its prestige and add to its record of progress, forward-looking projects and modern methods. Many industries can be induced to come here; and many new groups of residents will certainly add to the ranks of our thriving communities. Let us look ahead, and be abreast of the times."

HIGH COMPRESSION

High compression as applied to an automobile engine is often misunderstood.

It is said high or increased compression is gained by reducing the space in the combustion chamber, with the result that gas is compressed tighter and a greater explosive force results.

COLMA PIONEER DIES

John Zwissig, 71 year old gardener and resident of Colma for the past thirty-five years, passed away, Thursday night of last week, following a lengthy illness. The deceased, a native of Switzerland, is survived by four sisters: Mrs. Josephine Von Moss and Mrs. Salome Killijer of Colma and Mary and Agnes Zwissig of Switzerland.

Funeral services were held, Monday morning of this week, from the W. C. Lasswell & Co. chapel followed by interment in Olivet Memorial Park.

War Is Again Declared!

The Colma Volunteer Fire Department tug of war have again challenged the Alpicella Club of Oakland to a lively contest at the annual picnic of the local department to be held Sunday, August 9, at Lovchen Gardens.

The local team has successfully beaten all opponents in its two years existence, excepting the Oakland club at a picnic held in Dublin Canyon last June. Coach A. Conserva has been working hard the past few weeks getting the boys in shape for the event and there isn't a doubt but what the fur will fly. There will be fun and entertainment for all who attend. Additional attractions will be refreshments, dancing, and games.

EXPERIENCED HOUSEWIFE CLUB

(By Maude Larue Ives)

Botanically the peanut s not a nut, but is the fruit of a legume and is related to the pea and bean and not to the chestnut or walnut. It is supposed to be a native of Brazil, but is cultivated in warm regions the world over. The large sized nuts for sale in shops come from the bunch type of peanut and the smaller Spanish and red peanuts are from the runner varety.

Peanuts are extremely nutritous, containing lime, a bone building mineral, as well as growth promoting vitamin A, and nerve-protecting vitamin B.

Eat more peanuts by using the following recipe, especially when time or family funds are short. In this you have a nourishing, yet economical dish which can be prepared in the morning and set in the cooler ready to be baked in the evening.

Peanut Butter Loaf

(From Mrs. L. Lemon, 267 Los Olivos avenue.)

One beaten egg, one cup tomato juice, one cup bread crumbs, on cup cooked macaroni, one cup peanut butter, one tablespoon grated cheese, one teaspoon salt, one small chopped onion, and one quarter teaspoon pepper. Mix all the ingredients well together, form into a loaf and put into a buttered dish. Set the dish in a pan of hot water and bake in a moderate oven for one hour. This portion will serve six persons.

Sponge Cake

(From the Farmer's Wife)

To the beaten yolks of three eggs gradually add one and one-fourth cups sugar, beating all the time; beat into this mixture three-fourths cup cold water. Add next one and one-half cups flour, sifted twice. Lastly, fold in carefully the three well beaten whites. Before beating whites add to them two teaspoons baking powder and one-quarter teaspoon of salt. An egg beater can be used in mixing cake until the whites are added, then fold carefully with spoon.

Pour batter into an ungreased tube pan and bake in a medium oven about forty minutes. Turn pan upside down to cool. Spread with jelly or berries or apple sauce and whipped cream over the top and the members of your family will not say "No" when offered a second helping.

Household Suggestions

In making fruit cake pour half the batter into the pan before adding the fruit, then the fruit will not settle at the bottom of cake.

Cutting bread lengthwise instead of across saves you about two-thirds of the waste, especially when sandwiches are to be cut in fancy shapes. —From Elaine Hughes, 153 Alexander avenue.

To become a member of this club, send in a recipe, household suggestions or work easer to Experienced Housewife Club, Daly City Record, 6500 Mission street, Daly City, Calif.

ACID DAMAGE

Battery acid can cause irreparable damage to upholstery if not promptly neutralized.

Ordinary household ammonia is a good neutralizing agent. Enough to cover the acid spot should be poured on and left about a minute, then rinsed off thoroughly with a clean cloth wet with cold water.
